

**Davina Pham**  
(714) 489-7414 | Davina.pham@gmail.com

## Education

**Georgia Institute of Technology** Expected July 2026  
**M.S in Computer Science**

**University of California, Irvine** Graduated 06/20  
**B.S. in Biological Sciences** (GPA: 3.71)

## Experience

**OpenEye, Cadence Molecular Sciences** Santa Fe, NM  
**Software QA -Intern UI Focused** 2024 Summer

- Developed automated test scripts to verify software application functionality
- Wrote documentation contributing to teams' knowledge base and process improvements
- Managed source code versions using Git to ensure proper version control

**Huntington Beach School District** Fountain Valley, CA  
**FVHS Track and Field Coach** 2019-Current

- Coordinating and leading practice sessions for 15-40 athletes every session
- Began volunteering in 2019 and was officially hired in 2020

**South Coast Dermatology Institute** Newport Beach, CA  
**Scribe and Medical Assistant** 2021-2022

- Used EMR EMA to record patient encounters and update accurate medical records
- Managed administrative tasks, i.e scheduling appointments and handling patient inquiries
- Provide support during medical procedures, i.e biopsies, surgeries, and cosmetic procedures

**ENT and OBGYN MD** Orange County, CA  
**Scribe and Medical Assistant** 2020-2021

## Relevant Courses

### Software Architecture and Design

- Developed an automated Pokémon battle simulator via Java
- Built a Java Swing GUI to control and visualize automated Pokémon battles
- Collaborated on containerized deployment using Docker and integrated a PostgreSQL database for persistent storage.

### Video Game Design

- Developed a video game using Unity's GUI and physics engine.

### Human Computer Interaction

- Explored the basic HCI theories to improve design skills.

### C++ Programming Language II

- Developed a student executable application in C++ with 7 key features
- Comprehensive detail of student profiles, grade management, search and retrieval
